IMPORTANT TRAVEL INSURANCE INFORMATION

At Intropa Tours, we strive to provide the highest quality tours and services possible. When it comes to travel insurance, we make no exception. After researching several different travel insurance plans, we are confident in recommending USI Travel Insurance Services (TIS) to insure our tour participants. TIS offers pre-departure cancellation protection, trip interruption, medical, accident and baggage coverage, cancellation for any reason coverage (75% of Non-Refundable Trip Cost) as well as worldwide emergency medical evacuation/assistance all in one plan. *Your primary insurance policy may not cover you when you are out of the country, so it is important to consider this very carefully.*

PLEASE NOTE: When you purchase this coverage with your initial tour registration and deposit, pre-existing conditions and acts of terrorism (as outlined in the attached Travel Insurance Certificate brochure) are covered.

Intropa Tours strongly recommends that you investigate any personal insurance you presently have to see if it covers the major risks of travel. You should find out what your medical insurance will cover when you are out of the country and check to see if your homeowner's insurance will cover lost baggage. Personal insurance plans **DO NOT** cover losses due to Trip Cancellation or Interruption, and have limited coverage for international medical evacuations. Due to the heavy penalties involved with cancellation or change of travel plans once booked, you may find that this additional coverage is necessary.

If you feel that your primary insurance coverage is adequate, please sign waiver portion on the reverse side and return it to your tour leader or to Intropa Tours with your initial deposit. If you wish to purchase the policy from USI Travel Insurance Services, simply complete the highlighted portion on the reverse and submit it with the premium payment requested directly to your tour leader or Intropa Tours. If you have specific questions related to this insurance coverage, please contact USI Travel Insurance Services directly, toll-free, at (800) 937-1387 and inform TIS that you are taking an Intropa Tours tour (if you do not mention that you are taking an Intropa Tours tour, you may receive information on insurance that is not applicable to the insurance Intropa is offering).

IMPORTANT!!! You MUST complete the insurance portion on the reverse side, or this form will be mailed back to you.

REMEMBER: When you purchase* this coverage with your initial tour registration and deposit, pre-existing conditions and acts of terrorism (as outlined in the attached Travel Insurance Certificate brochure) are covered.

Thank you for choosing Intropa Tours.

***If you have chosen to purchase the insurance, please remember to make your check payable to Intropa Tours and attach the check to this form.**

Note: The **Insurance portion** found on the reverse side must still be completed even if you decide not to purchase the insurance.
